Our brand-new B737 Class Divider has received its initial certification as a pivotal component of a dual-class cabin reconfiguration STC on Luxair B737!

We were supporting the initial installation on LX-LBL. We're confident it will impress and delight all who fly with Luxair on their new route to Dubai. Thank you Luxair for your trust!

November 2023

Following extensive preparation and training, we are excited to announce our new collaboration with Austrian Airlines.

Under our production agreement Austrian Airlines will produce interior-, Exterior Placards and Stencils, all under the Skytec EASA Part-21 Production Organisation Approval. We're eager to embark on this journey and anticipate a successful partnership ahead.

Did you hear about Beond? This airline that offers luxury travel services and fine dining on board its flights to the tropical wonder of the Maldives. Skytec equipped their first A319 with a Crew Rest Area. We are very proud of it!

Dezember 2023

As you may have already noticed, there is an Advent calendar on the LinkedIn Skytec's page for the first time this year. Every day hard and fun facts, as well as personal contributions of our team.

Follow us at www.linkedin.com/company/skytec-aerospace-gmbh.

We would like to take this opportunity to wish you all a wonderful Christmas and a happy new year.

We look forward to a successful 2024!
